PROFESSIONAL SUMMARY

Brand Marketing & Communications professional with 4+ years in fintech, building brands through campaign execution, event marketing, employer branding, and creative storytelling. Progressed from Visual Design Intern to Senior Associate at M2P Fintech, expanding from creative execution into brand marketing, communications, corporate events, and stakeholder management.

Experienced leading high-impact initiatives — Global Fintech Fest (GFF) 2025, M2P's ONE11 anniversary campaign, 30+ industry award nominations, and community-led marketing through Madrasters — with a focus on marketing experiences that strengthen brands and engage communities.

PROFESSIONAL EXPERIENCE

M2P Fintech

Senior Associate — Brand Marketing & Communications
Associate — Brand Marketing & Visual Design
Visual Design Intern

Promoted twice (Visual Design Intern → Associate → Senior Associate), taking on increasing ownership across brand marketing, communications, employer branding, event marketing, and creative strategy.

KEY PROJECTS

Global Fintech Fest (GFF) 2025

- Led marketing operations supporting M2P's brand presence throughout the three-day event.
- Coordinated media activities, interview schedules, and client byte recordings.
- Managed production and execution of marketing collateral across multiple touchpoints.
- Oversaw attendee pass management, vendor coordination, production timelines, and quality validation.
- Supported hospitality planning and day-to-day event logistics.
- Partnered with Brand, Business, Sales, Product, and Operations teams to ensure seamless execution.

ONE11 — M2P's 11th Anniversary Employer-Branding Campaign

- Conceptualised the campaign name **ONE11**, inspired by M2P's "One M2P" culture and 11-year milestone.
- Planned engagement mechanics to boost employee participation through Darwinbox.
- Coordinated vendor partnerships, negotiated pricing, managed production timelines, and validated print quality.
- Oversaw production and distribution of personalised merchandise — luggage tags, ONE11 bookmarks, and celebration kits.
- Designed a reward-based mechanic where the **first 111 employees** received exclusive merchandise, driving participation.
- Drove post-campaign engagement, encouraging employees to share their experiences via Darwinbox.

Brand Marketing & Communications

- Coordinated **30+ industry award nominations** across teams — submissions, documentation, timelines, and communication.
- Planned and executed corporate events and internal marketing initiatives.
- Produced social media campaigns from concept to publish — creatives, short-form video concepts, copywriting, and captions.
- Managed external vendors for branded merchandise, event production, printing, and collateral, holding quality and deadlines.
- Designed product blogs, brochures, presentations, branding mockups, social and website assets, and 3D illustrations.
- Partnered with Brand, Product, Business, HR, and Communications teams to deliver consistent brand experiences across channels.

COMMUNITY LEADERSHIP

Madrasters

Wing Captain

Community Member & Volunteer

Contribute across branding, marketing communication, community engagement, speaker coordination, volunteer leadership, and event execution.

- Led branding, marketing communication, and event execution across **7+ community initiatives a year**.

Chennai, India

Sep 2024 – Jul 2026

Sep 2022 – Aug 2024

Jun 2021 – Aug 2022

Chennai's largest creative community

Jan 2024 – Present

Jun 2021 – Dec 2023

- Planned social media campaigns, website content, promotional communication, and event branding.
- Managed volunteer teams of **15+ members** and coordinated **3+ industry speakers** — communication, scheduling, and logistics.
- **Featured — International Women's Day Meetup 2026:** led end-to-end coordination (branding, communications, speaker coordination, volunteer management, venue and logistics, execution) and hosted the event for the first time, building public-speaking and live event-management skills.

EARLY EXPERIENCE

Turmeric Media Production — Content Creator Intern

Apr 2021

- Contributed content ideas for television programmes and live productions.
- Prepared run-order documents and supported production teams during live shows.
